Dear Front Cooking School,

On behalf of Stamford Plaza Melbourne, we would like to take this opportunity to thank Front Cooking School for your support during COVID-19.

We appreciate your assistance in placing your students to gain work based training with us during this difficult time. We also commend on the quality of students whom you placed with us. They worked in a professional manner displaying the adequate skills required for this industry.

Pike (WBT Coordinator) has operated professionally in a difficult situation. He was able to maintain a level of communication that was appropriate and resulted in a good candidate being found for the business and managed them well and we were very pleased with the selection of candidates you provided.

I look forward to working with the students and I also look forward to continue working with Front Cooking School for many years to come.

Your sincerely,

Sunny Singh
